Activities

1954 Bomber

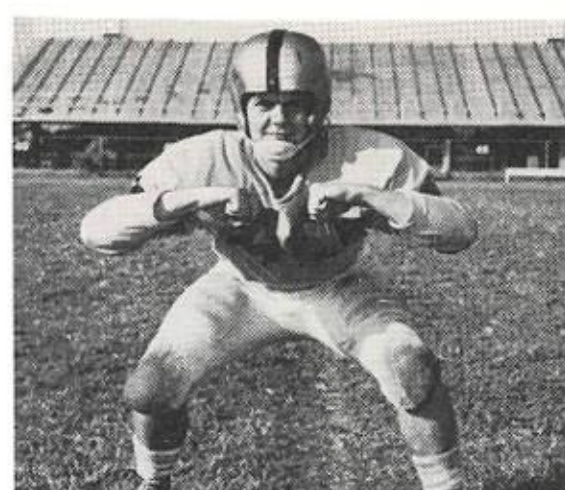

Left End

JOHNNY DUREN, a Senior, is one of the outstanding Ends in the District. He is equally good on offense and defense. Johnny made All-Conference.

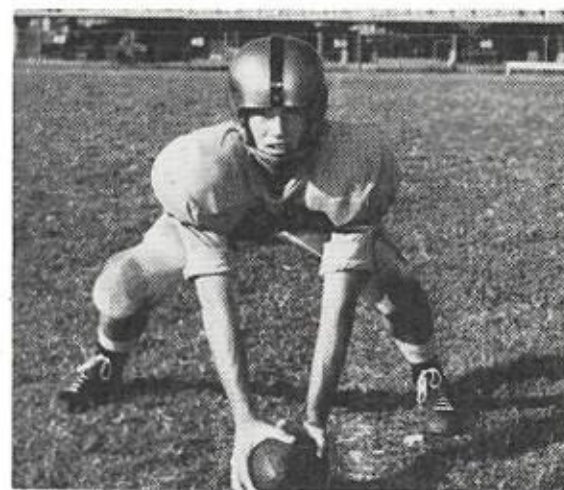

Left Tackle

DELMAS FORD, Senior, stands out in both offense and defense. He is one of the better tackles of the state. He made All-Conference.

Left Guard

BILL BARRY, a Senior, was a heady player and one of the main stays in the Bomber line.

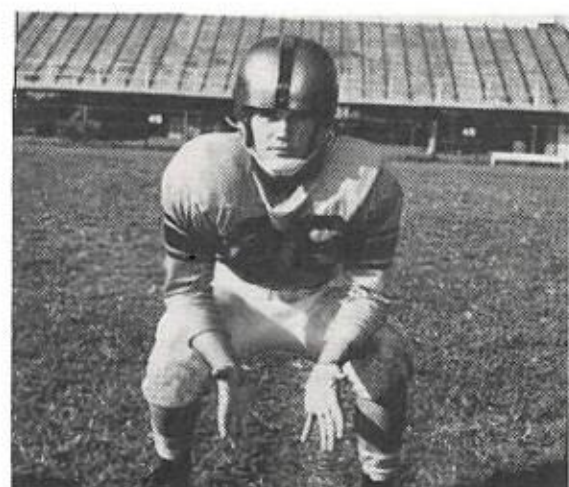

Center

DICK PRICE, though only a Junior, played a big part in the Bomber success. He was a very dependable player at all times.

Left Halfback

BREWSTER HOBBY made all-City and was voted by sports writers as being the most outstanding back in Oklahoma of '54. He has a wonderful future in athletics.

Fullback

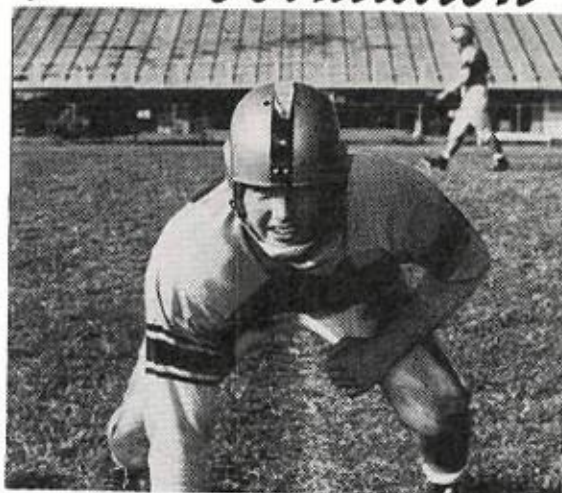

DAN KENDALL was a great fullback both on offense and defense. His clean play and determination caused him to be voted the outstanding good sport of the team.

τ — Formation

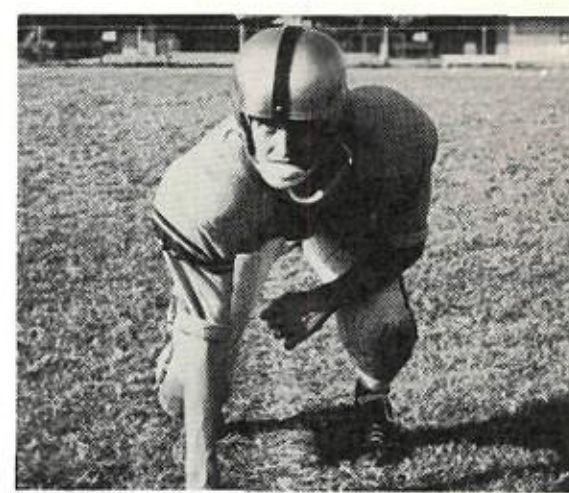

Right Guard

ROSWELL ADAMS, a senior, is one of the hardest workers on the entire squad. He could be counted on to do his very best at all times.

Right Tackle

ROBERT (Bimbo) LEIGH, a senior, is one of the most improved players on the team. From his size, speed and determination, Mr. Spann predicts a great future in athletics.

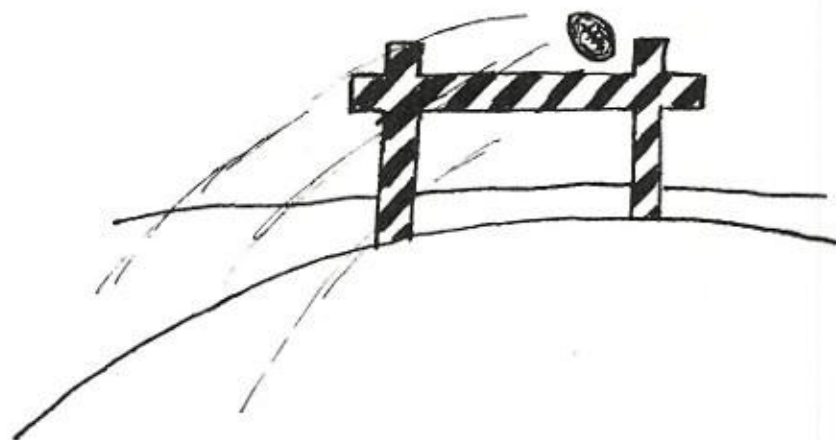

Right End

BILL USELTON made All-City End as a Junior. He should be one of the greatest Ends in the state next year.

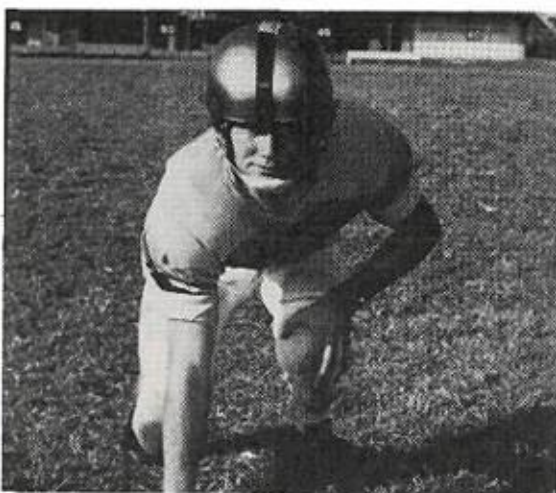

Quarterback

RICHARD EVANS, a senior, made All-State Quarterback. We expect to hear many good things about him in the future.

End

GERALD STUART was a good End both on offense and defense. He had a lot of spirit and go and should be a standout in his senior year.

NOLAN WHITE, a sophomore, is big and fast and we predict he will be one of the schools' outstanding tackles in the years he has left with the Bombers.

Right Halfback

PHIL LOHMANN, a sophomore, played as a regular Back and was a great defensive Back. Coach Spann thinks Lohmann is the greatest college prospect that he has ever coached.

JACKIE HILL--He is big and fast and played guard and fullback. He is a good passer and runner also a great offensive and defensive lineman. We expect to hear a lot from Jackie in years to come.

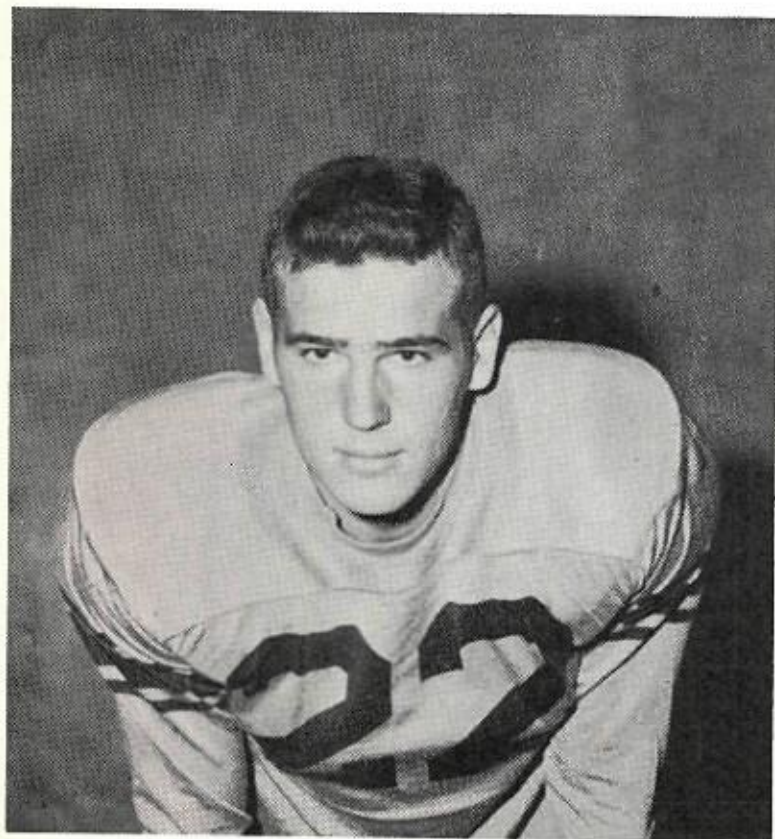

DON COLSTON--Don was shifted from fullback to a guard position where he is and was outstanding in his Sophomore year.

RONNIE HALES--Ronnie was the regular defensive back and did a wonderful job on offense, he was the under-study of Evans. He is smart and fast and will be a great player for the Bombers next year.

VERNON CRUMPLER--Vernon played guard and tackle. He is big and will be an outstanding lineman with the Bombers in '55.

DON COHN--Don lettered as a back. He is a good pass catcher, and defensive boy. He will be a mainstay in backfield next year.

BOB DENSFORD--Bob is probably the fastest boy on the squad. He is a good all-around back. We are expecting him to be one of the outstanding backs in Oklahoma.

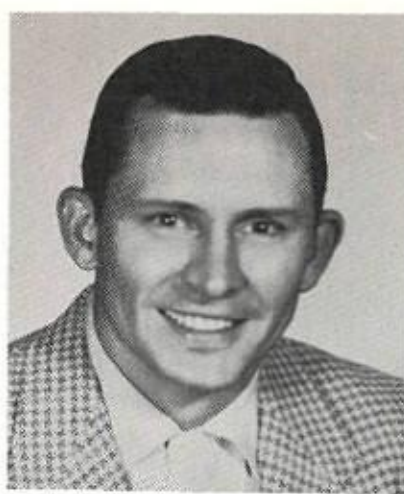

RICHARD EVANS
Acting Captain

The Bombers have had several All-State athletes, but this year our All-State Quarterback is outstanding in all other competitive sports. He is the high point basketball player, and is not only the greatest for our school but is one of the states' outstanding basketball players. He is also, a good baseball player. This year when wrestling was introduced, Richard added a letter to his collection. He has taken top honors in wrestling in his weight class. He has lettered in wrestling, track, football, baseball and basketball. Richard is a "B" student. The whole school is very proud of our All-State Quarterback.

MISS MELTON
Coach

The Midwest City Senior High girls' basketball team, otherwise known as the Bomberettes, under the able coaching of Dee Melton, have once again completed a season of which they can be proud. Outstanding among their accomplishments of the 1954-55 run was their winning of a runner-up trophy in the Davenport Tournament.

Although seriously handicapped by the loss of two excellent forwards, Beth Creed and Ginger Smith, the team went on to a 15-8 record.

As we go to press, they are making preparations for the district tournament and we're quite confident that they will do their utmost to bring home another trophy.

Standing: Manager, Prunie Wallach and Miss Melton, Coach. Left to right: Brenda Bowyer, Cecilia Lambe, Evogene Smith, Mary Ann Combs, Joyce Jackson, Beth Creed, Donna Owen, Veda Miller, Joyce Lacey, Sue Goforth, Peggy Henderson and Elaine Evans.

The Art Club

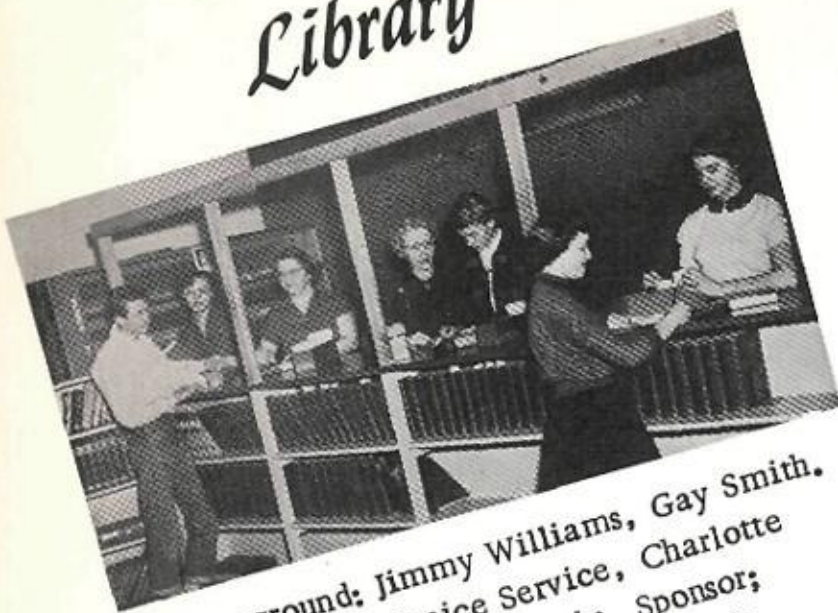

One of the new organizations at M.C.H.S. this year is the Art Club, whose motto is "Creative Hands." It is sponsored by Mrs. Webb, the art teacher, and its purpose is to promote art appreciation. Its members are those interested in art either as a career or as a hobby.

One of the club's main projects this year was the place-cards for the Talihina Hospital at Christmas-time. Another time, the members of the Art Club made and presented a poster to the Midwest City Library.

The National Honor Society is just what the name implies--an honorary organization. Its chief function is to bring honor to students who, through superior scholastic performance, show that they merit such honor.

The Midwest City Chapter of the National Honor Society has set somewhat higher standards than most high schools. Members must maintain at least a 3.6 average; they must carry four solid subjects each semester; and they must have attended Midwest City High School for at least one semester. If these standards are met throughout high school a seal will be placed on the pupil's diploma. After graduating, the Seniors become honorary members. This year's officers are: President, Don Pate; Vice President, Charles Brown; Secretary, Nancy Norman.

Some of the projects for this year were the sponsoring of the "Little One Drive" and reading to the crippled children at the Crippled Children's Hospital.

We attended one sub-district meeting at Chandler this year and we are looking forward to attending the Annual State Rally in March.

Many films are shown to community groups as well as for classroom instruction.

The Student Council has just concluded one of its most successful years. We were lead very capably by the second feminine president in the history of our council, Joan Larkins, aided by the increased membership amounting to forty students.

A planning session was held during August at which the program for the year was outlined. A "Get Acquainted Week" was planned for the opening week of school. This proved to be a very successful program and included a "Howdy Day" and a "Know Your School" Assembly.

Representatives from the council attended the Regional Convention at Jackson, Mississippi in November, and the State Convention at Duncan, Oklahoma, where we gained many new ideas and made new friendships.

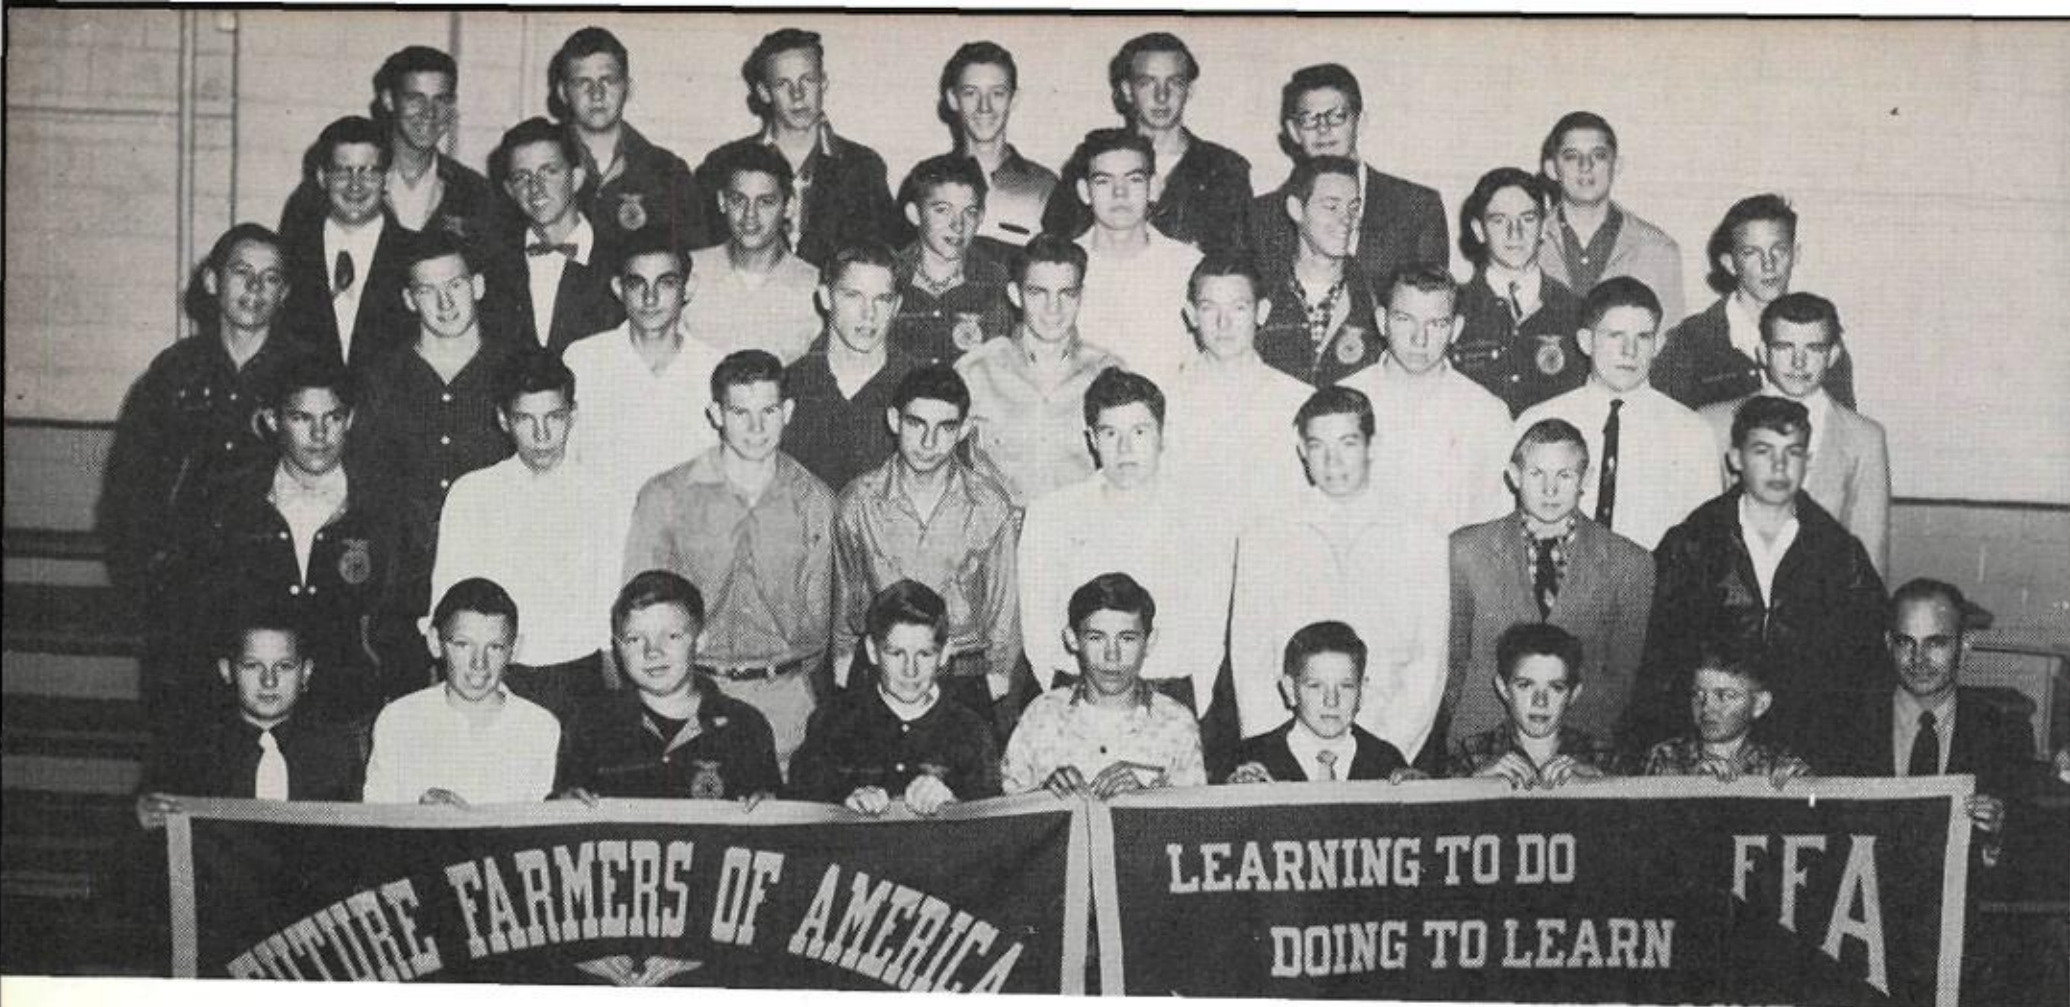

A highlight of the year was our exchange luncheon and entertainment with Putnam City Student Council.

Other activities of the council were: publishing a student directory, selling annuals, sponsoring mixers, planning all-school parties, managing paper stand, conducting all-school elections, and sponsoring the "favorite" series.

Tommy was chosen State Vice President of Oklahoma Student Councils. He attended the National Convention at St. Paul, Minnesota in June as an Oklahoma delegate. He headed the planning session in Midwest City for the State Convention. As Vice President, Tommy proved himself capable and worthy of the position.

Future Teachers of America

Since the organization of the Midwest City Senior High School Chapter of the Future Teachers of America in the early fall of 1953, the group has contributed much to the school and the community.

The organization has fulfilled its purpose by assisting pupils in the lower grades and nursery schools, helping to beautify school grounds, to arrange assembly programs, and substituting for absent teachers. The members are constantly studying the lives of great teachers and they have attended local and state teachers conventions.

On graduation, the member is given a statement signed by the sponsor showing the number of merit points he has earned.

It has co-operated with other state chapters, its national president, Senator Karl Mundt, and its executive secretary, Bruno E. Jacob, to make the art of public speaking more popular and widespread. With such a wonderful start we are certain that Chapter 1088 will eventually grow into the nation's finest. Kay Baum, Larry Jacobson, Lyle Hamilton and Don Pate hold the Degree of Distinction.

It also gives a basic knowledge of the automobile and teaches ways to handle the automobile as economically as possible. The students are given actual experience behind the wheel so that they can become better acquainted with the car.

The Annual Staff at Work

MRS. MOON

Marjorie Hannon, a Senior, did an excellent job of handling the art work done by the Art Department.

MRS. LOOPER
Sponsor

Sports Editor Carmen Coplin was outstanding in her first year on the staff. It was also Shirley Bullard's first year. Shirley was the Annual Activity Editor who worked on the activity section.

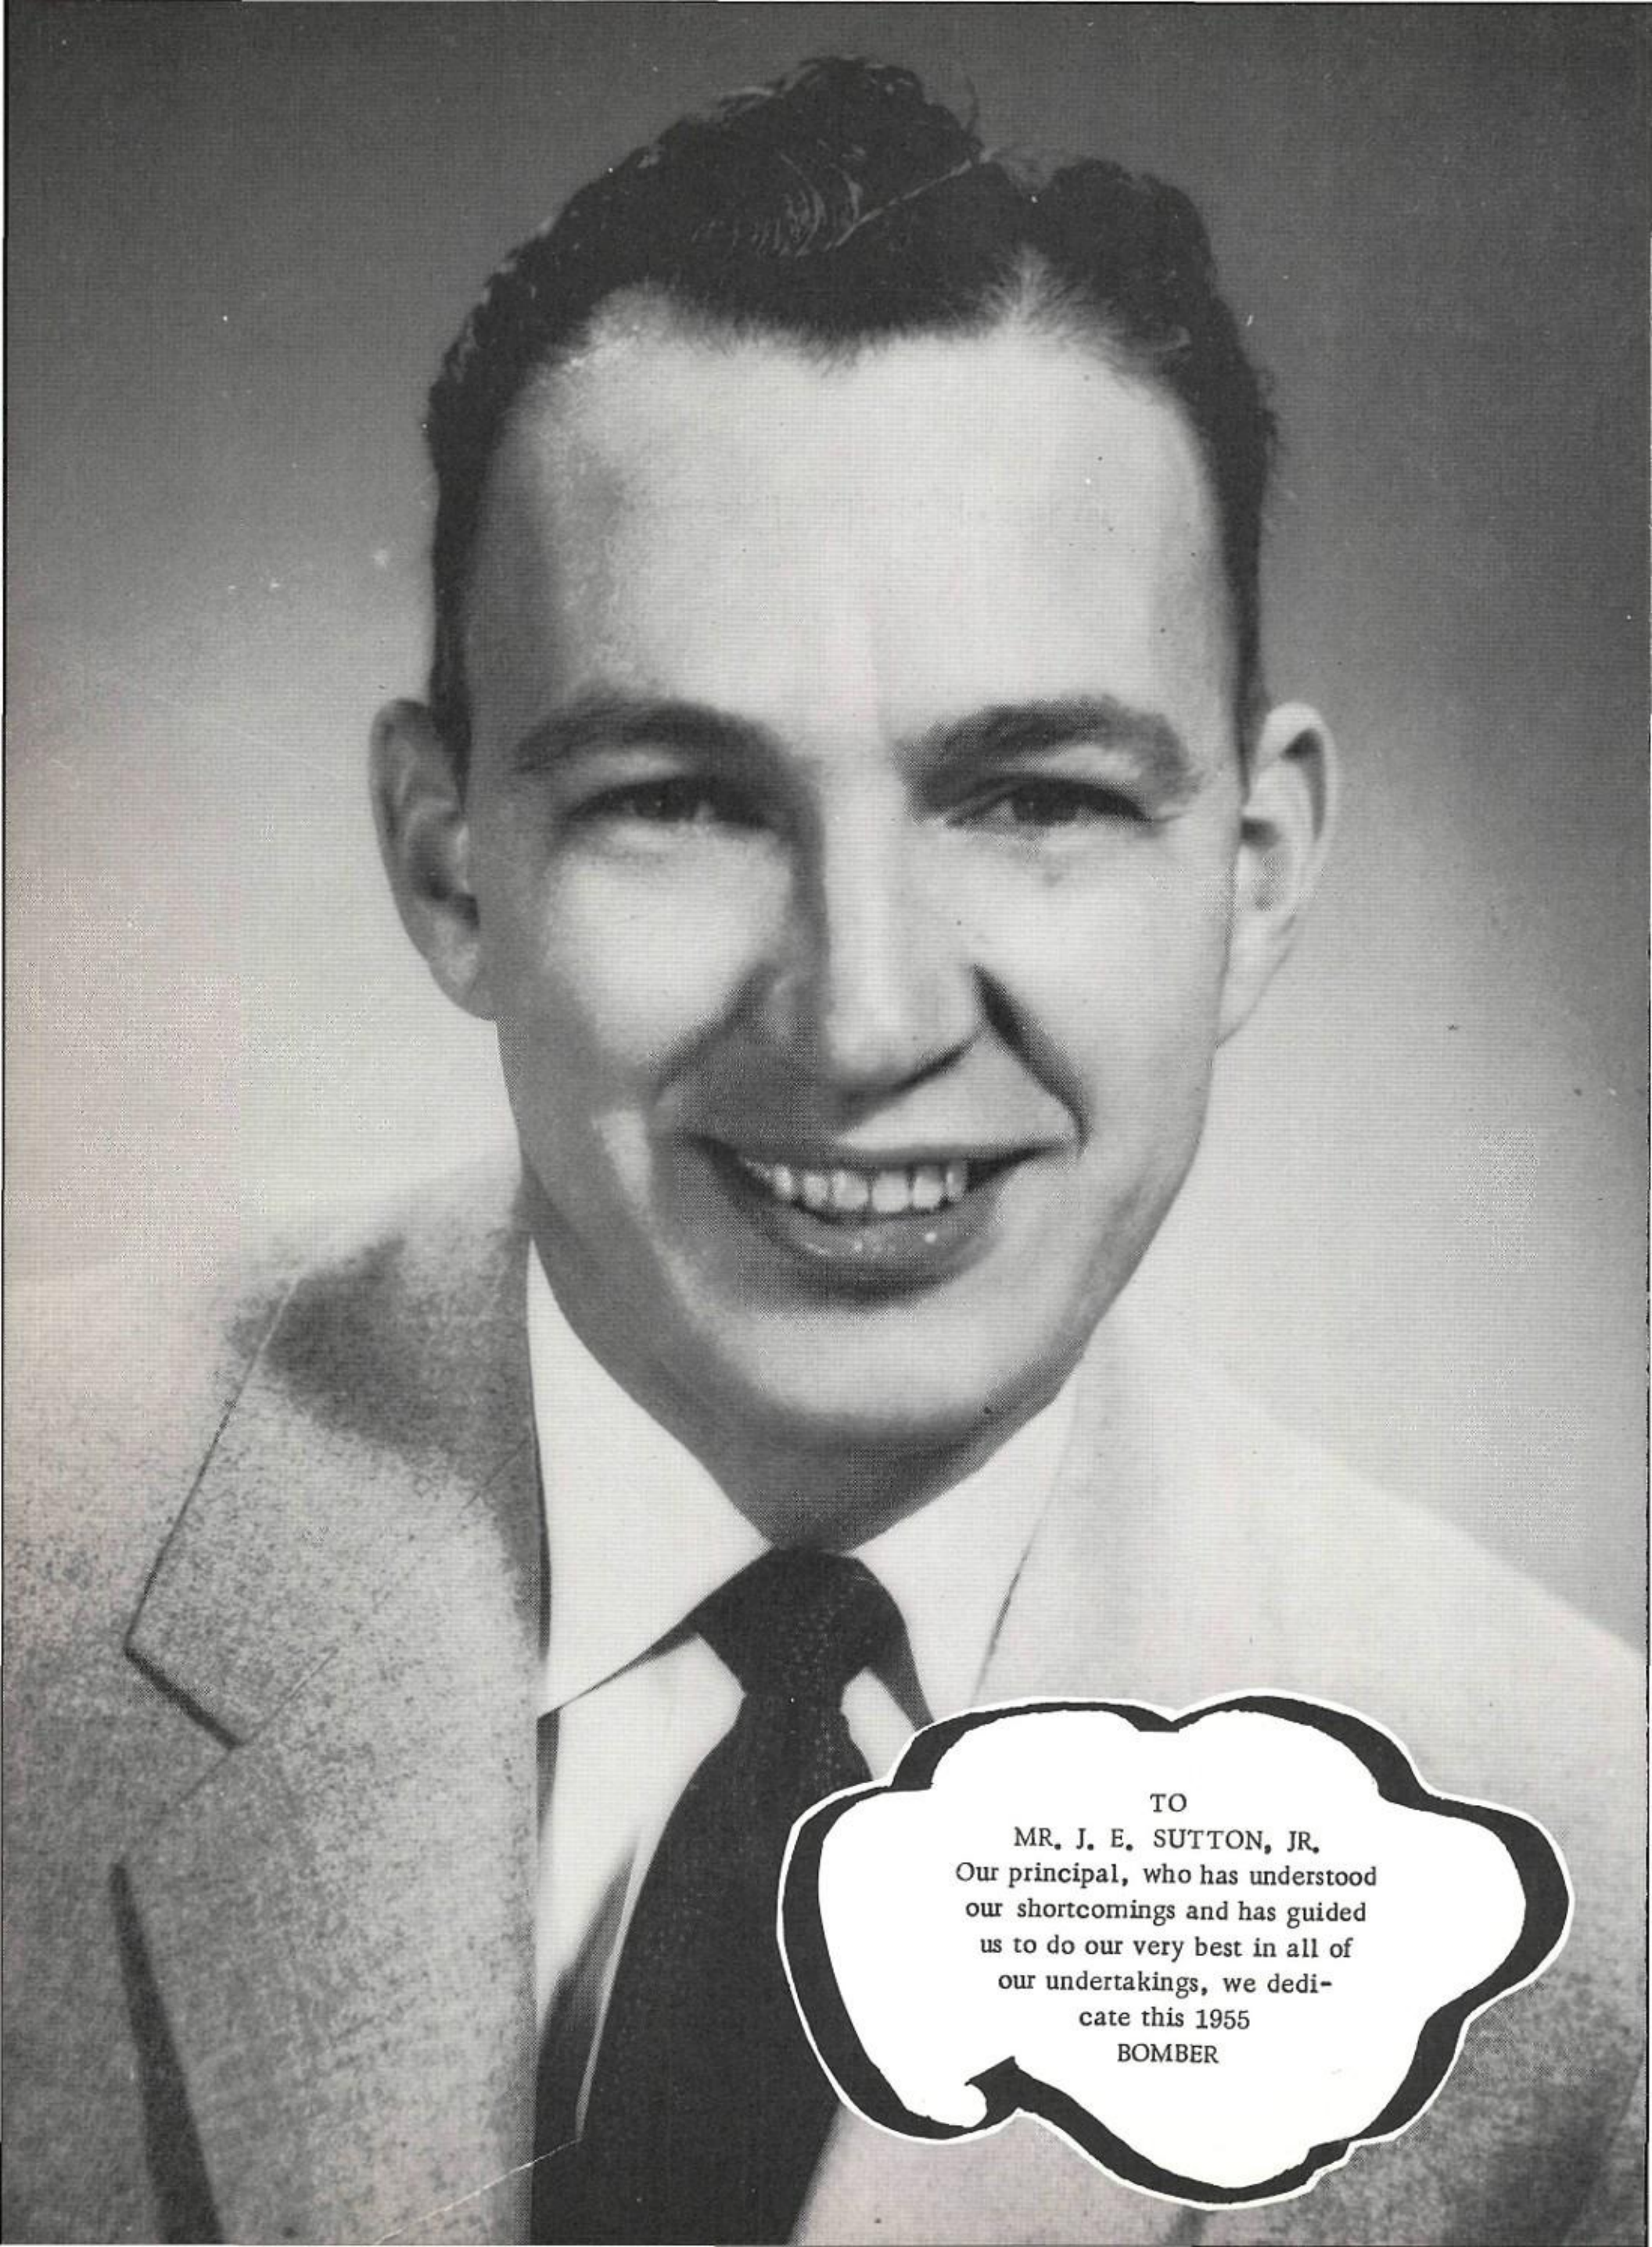

Special attention must be directed at this time to the official photographers for the 1954-55 Bomber Annual. Mr. Roy Norman and Ronnie Warner of Norman-Warner Studio and John Tankersley, a Junior at MCHS, were responsible for the photographs in this book.

We must also not forget the co-operation and guidance given by Mrs. Audrey Moon and Mrs. Bertha Looper, the Annual sponsors. Their constant aid has assisted in putting out this Bomber Yearbook.

The American Field Service each year offers a limited number of American High School students an opportunity to visit a European country during the summer vacation period. These students have all expenses paid and live in the home of a European family.

Midwest City has participated in this plan the past five years and hopes to do so again this year. Four candidates have been selected as representatives of our school. They are: Tommy Hall, Senior; Kay Baum, Senior; Prunie Wallach, Junior; and Sancha Griffith, Junior. The American Field Service will make the final decision and we sincerely hope one of our students will be selected.

Most Likely to Succeed

JOAN LARKINS and DON PATE

Joan is the president of our Student Council and was a delegate to Oklahoma Girls' State last summer. She was the winner of the Betty Crocker Home-maker of Tomorrow award and the Elks Leadership Contest. In addition to these honors, Joan is an active member of the Bomberette Pep Club.

Don is certainly one of the most successful students in our high school. He is the president of the Forensic League, president of the National Honor Society, president of the Senior Class, and vice-president of the Thespian Troup 101. Don was a delegate to Oklahoma Boys' State, and while there was elected to the Senate. Don is also an active member of the Student Council.

Senior Favorites

Best All-Around

JOYCE JACKSON and TOBY BENSINGER

The honor, "Best All-Around," could not be better exemplified. Joyce and Toby are active in many of the school activities.

Joyce, captain of the girl's basketball team and president of the "M" Club, has lettered two years in basketball. She has a versatile personality, and participates in many other activities, including tennis and Pep Club. She has been a color-guard with our band for the past year.

Toby is always willing to serve when needed. He is captain of the Bomber Wrestling Team and a member of the National Honor Society.

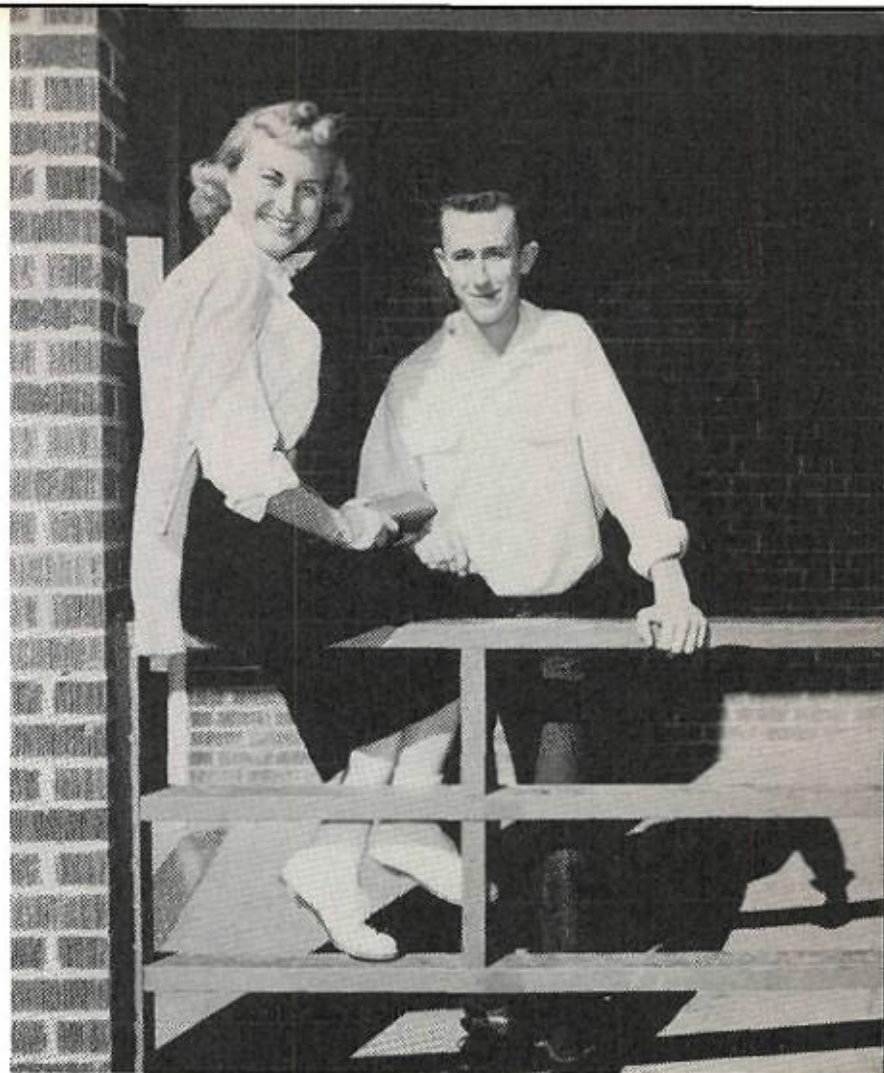

Most Popular

SHARON WEEKS and RICHARD EVANS

Sharon has a vivacious personality and is well-known in our halls. She is one of the four senior cheerleaders and was chosen Basketball Queen by our team this year.

Richard has been one of the most outstanding players on our Bomber Football Team. He has been named as an all-state player for 1955. Richard is also the president of the "M" Club. Not only has he lettered in football for three years but also basketball and baseball.

Typical Midwest Citian

KAYE BOWMAN and "SNOOKS" PRICE

Kay has been a wonderful cheerleader for three years for the Bomberette Pep Club, and also has been a very outstanding member. She is on the Senior Class Executive Board and is a member of the Thespian Society. Kaye is certainly qualified to be called a "Typical Midwest Citian." Ronald Price, better known as "Snooks," is a three-year letterman in basketball. He is Sergeant-at-Arms in the "M" Club, and is well-known by everyone at school. "Snooks" certainly deserves the title of "Typical Midwest Citian."

Most Friendly

VICKY KARATZIOU and DELMAS FORD

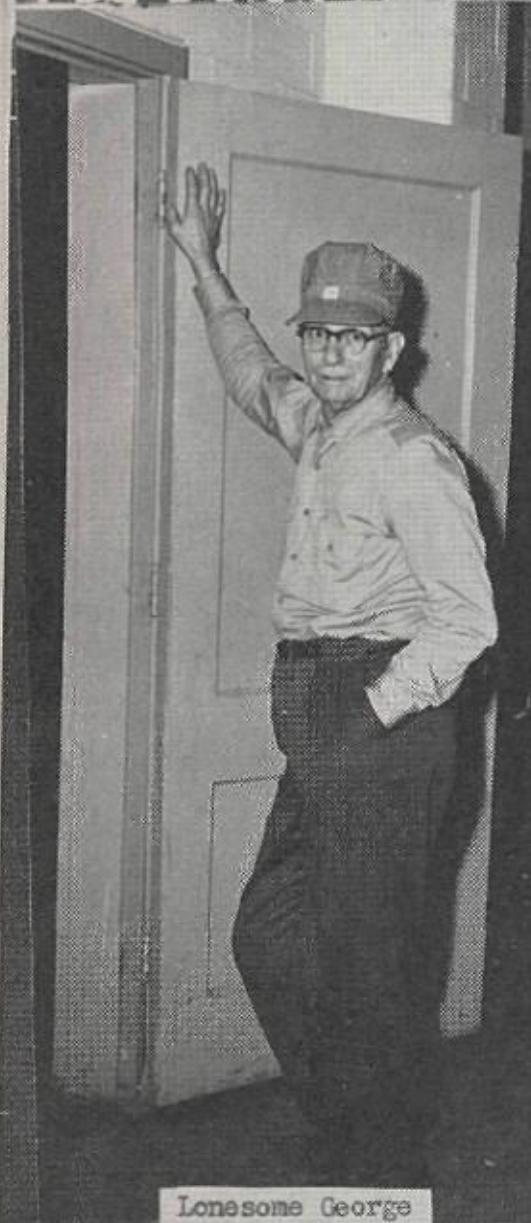

Vicky is our exchange student from Greece this year. She is an active member of the Student Council, the Art Club, Pep Club and an honorary member of the Senior Executive Board. We all think that Vicky is a fine exchange student and represents her country well.

Delmas, being a graduating senior, will be greatly missed around the halls of MCHS. He is a three-year letterman in football and also is active in baseball and wrestling.

We believe that Delmas and Vicky well deserve the honor of "Most Friendly."
